INVESTIGATIONS

Sex Registrant Compliance Sweep

On August 21, 2024, the Moreno Valley Sheriff's Station Investigations Bureau with the assistance of Riverside County Probation and the California Department of Corrections and Rehabilitation Parole Division, conducted Sex Registrant Compliance checks in accordance with Penal Code Section 290. The compliance checks were conducted on registrants that fall within the area of responsibility of the Moreno Valley Sheriff's Station. One hundred seventeen registrants and sixty-five locations were checked to ensure they were in compliance with their sex offender registration requirements. Offenders who were on probation or parole were also checked to confirm compliance with their court-ordered terms.

Nine subjects were arrested for violating their probation or parole terms, as well as various felonies, including narcotics-related charges and unlawful possession of ammunition. Four registrants were found to be out of compliance. Further investigation will be conducted on each registrant in violation of their registration requirements, and charges will be filed with the Riverside County District Attorney's Office.

CBAT

Community Behavior Assessment Team

CBAT is a cooperative agreement between RUHS-Behavioral Health and Riverside Sheriff's Department partnering a Clinical Therapist and Deputy Sheriff to assist with crisis mental health services in response to 911 calls. Services include mental health crisis assessments, attempt to divert those in crisis to the lowest level of necessary care, and link those people to outpatient mental health services in an attempt to reduce recidivism.

Notable Cases

On Tuesday August 27, 2024, Moreno Valley CBAT responded to a 911 call for service in which the caller was not making sense to dispatch. The caller was frantic, reporting he was unable to see his mother's arms and legs. Upon arrival, CBAT spent time developing rapport and assessing risk. The caller was found to be living alone and experiencing paranoid delusions, including delusion of his neighbors following him with intent to do him harm. Client's psychosis was causing subject intense distress. CBAT provided subject with risk assessment, finding him not meeting criteria for a 5150 hold at that time, however linked him to Mental Health Urgent Care Services in Perris. Subject is now receiving on-going follow-up services from RUHS-BH Mobile Crisis team.
