2023 Challenge – Large Breed Dogs

“I am about over 60 dogs over capacity right now...” 11/3/22 – San Bernardino City Shelter

“We have 24 dogs in paid boarding at \$700 per month each and all of our facilities are full. Couple that with very slow adoptions and we are in a log jam. Or dog jam so to speak.” – 2/22/2023 – Non-Profit Rescue Partner in Orange County, CA

“Here I am asking again if anyone has room for large breed puppies that we have in shelter.” – 2/28/23 - Stockton, CA

“We have the capacity for 202 dogs and are currently at 264. I understand that we are all dealing with an increase in shelter population and struggling all around, but *any* help with placement or resources that you can provide would be greatly appreciated.” – 3/10/23 - County of Orange Animal Shelter

Moreno Valley Animal Shelter 4/3/23 – 64% over capacity – 100 dogs – designed for 61 dogs
