SUMMARY

This report provides the Third Quarter Financial Summary, which updates the Mayor and City Council regarding current year financial trends through March 31, 2023. This report also requests the approval of certain FY 2022/23 revenue and expenditure budget amendments.

This item was noticed on the May 23, 2023 Finance Subcommittee agenda for review and discussion.

DISCUSSION

Based on a long-term practice of maintaining a structurally balanced budget and being identified as one of the most fiscally fit cities in the Country, on May 4, 2021, the City Council continued this trend and adopted the Two-Year Operating Budget for Fiscal Years 2021/22 – 2022/23, while adhering to those past practices. Additionally, as established after the last recession, the budget continues to fund and maintain separate reserves specifically established for periods of economic uncertainty or natural disasters. The budget included all component units of the City, including the General Fund, Community Services District, Housing Authority, Successor Agency, and the Moreno Valley Community Foundation. During the two-year budget period, the City Council will be updated of the City's financial condition through the process of Quarterly Budget Reviews. This ongoing process ensures a forum to review expenditure and revenue changes from the estimates made in the budget document. Additionally, any significant changes in projected revenue or unanticipated expenditures that may occur will be presented to the City Council.

This report provides the FY 2022/23 Third Quarter Financial Summary for the first nine months, July thru March. The Third Quarter Financial Summary will focus primarily on the City's General Fund. This review will also present nine-month operational results

from other key funds.

The City Council's direction of "Maintain a Balanced General Fund Budget" serves as a foundation for the fiscal status of City operations. Ongoing funding is directed to sustain ongoing operational expenses; one-time funding is directed toward one-time expenditures. This report identifies the budget adjustments as recommended by the City Manager.

FISCAL YEAR 2022/23 THIRD QUARTER FINANCIAL SUMMARY

This Third Quarter Report updates the Mayor and City Council regarding current year financial trends and provides the opportunity for the City Council to review the recommended actions as they relate to revenues and expenditures.

General Fund Revenue Update

Revenue receipts do not follow an even schedule. Although 75% of the fiscal year has elapsed, based on historic trends revenues are estimated to be at approximately 63% of the budgeted amount. Actual revenues received are currently 69% of budget. As the FY 2022/23 revenue estimates were developed prior to the adoption of the budget on May 4, 2021, the revenue estimates may require adjustments based on the FY 2022/23 actuals and revised projections throughout the year. Although there will be variances in some of the amounts budgeted, the total is expected to remain within 1% of the amended budget for the year. It should be noted that the lag in timing of revenue receipts helps illustrate the need for an operating cash reserve throughout each fiscal year.

General Fund Expenditure Update

Although not all expenditures follow a straight-line spending pattern, operating expenditures should track close to within 75% of budget for the year at the end of the first nine months. As of March 31, 2023, total General Fund expenditures were at 60%. This pace is within expectations for most activities in the General Fund.

FISCAL YEAR 2022/23 BUDGET ADJUSTMENTS

The FY 2022/23 General Fund revenue budget, as amended, totals approximately \$141 million. Based on economic activity and revenue collections through March 2023, staff is recommending a Third Quarter budget increase of \$2.6 million to approximately \$143.6 million.

The FY 2022/23 General Fund expenditures budget as currently amended, which includes a one-time \$3.3 million expenditure from fund balance for the Senior Center Expansion project, totals approximately \$146 million. The recommended Third Quarter budget amendments increase expenditures by \$1.3 million to \$147 million. *The fund continues to be structurally balanced, without the use of fund balance for ongoing operations.* The specific budget adjustments for the General Fund are summarized in

Attachment 1.

Fund	Type (Rev/Exp)	FY 2022/23 Amended Budget	Proposed Adjustments	FY 2022/23 Amended Budget	Proposed Adjustments (%)

Use of Money and Property

Investment income continues to remain low due to extremely low rates of return for fixed income investments but has increased over the last year due to actions taken by the Federal Open Market Committee (FOMC). The investments achieved a Yield to Maturity (YTM) for March 2023 of 1.81%. In addition, the City maintained funds in the State Local Agency Investment Fund Pool (LAIF) with a YTM of 2.831%. LAIF is realizing considerable investment gains based on the increases to the Federal Funds target rate increase. FOMC is expected to keep rates higher thru 2023 with no reductions until 2024. The FOMC target rate is currently 5.00% to 5.25%. Staff will continue to monitor closely to insure we maximize our investment income going forward.

Expenditures are being spent in-line with prior year expenditures. Each Department's activities will be monitored throughout the year as they may be impacted by different operational activities and project timelines.

OTHER KEY FUNDS

The following summaries describe other major funds in the City.

Moreno Valley Community Services District

The Moreno Valley Community Services District (CSD) was formed by the voters in 1984 to collect fees and certain taxes to provide an array of services including parks, recreation and community services, streetlights, landscaping and ongoing maintenance. The CSD provides these services through separate “zones” that define the services that are provided.

For certain zones, the primary revenue source used to provide services to properties is parcel fees or taxes levied on properties via their annual tax bill. Proposition 218, passed by California voters in November 1996, and has posed a serious challenge to managing the future operation of the CSD zones. Prop. 218 requires any revenue increase to be addressed through a voting process by affected property owners. For a period following the initial implementation of Prop. 218, the CSD was successful in receiving approval for some new or increased revenues. There were also revenue increases due to the growth of developed parcels within the zones.

Electric Utility

The Moreno Valley Utility (MVU) manages the operation, maintenance, and business planning of the City's electric utility. MVU's basic purpose is to purchase and distribute electricity to customers in newly developed areas of the City. The City began serving new customers in February 2004, and now serves more than 7,860 customers. As it reaches fiscal and operational maturity, MVU will continue to be a key component of the City's economic development strategy. The City Council has established special tiered rates for electric utility customers based upon factors such as the number of jobs created.

The main revenue source for this fund is derived from charges for services. The customer base includes residential, commercial, and industrial customers. The growth in customer base will continue to provide for the ability to create rate stabilization and replacement reserve funding.

SUMMARY

The City of Moreno Valley has experienced certain levels of growth and continued to maintain a structurally balanced Budget without the use of reserves.

The economic climate is ever changing and for these reasons the City must remain optimistically cautious and only increase revenues when they are received. Staff will continue to monitor and request quarterly revenue adjustments based on this approach. These revenue adjustments will be offset by replenishing our expenditure levels accordingly.
